# Palmer Principle Series on SKYPE

## Palmer Principle Leadership Training

SportExcel delivers engaging high performance, premium training via SKYPE for all leadership levels. With convenient, 45 minute, one-on-one sessions from your own office or after hours at your home, you learn the *Palmer Principle*, a powerful sports metaphor of the Zone formulated on our international and Olympic successes. Namely: *When you stay in the Zone, your staff, employees and team will.*

### Purpose

To apply a leadership system as the powerful foundation for achieving corporate profitability and sustainability.

### Outcomes

In a hands-on, experiential atmosphere, participants learn the *Palmer Principle* in a three level program (21 training sessions) over a 12-month period: *Ignition*, *Momentum* and *Velocity*.

**Ignition** is the foundation of all high performance training and it is delivered weekly. It gives you the foundation for leadership excellence and the tools to take control of your life, have more fun and manage your career. **Momentum**, delivered bi-weekly, takes leaders into the stratosphere of influencing their organizations, managing complexity, building superb communication skills and life balance. And **Velocity** is the icing on the cake as it ensures that skills are maintained over the long haul and is delivered monthly.

(Many of strategies in the *Palmer Principle* are proprietary and you will not find these tools anywhere else in MBA or other programs.)

## Seminar Content

The *Palmer Principle* training is fun, strategic and empowering:

- Start in the Zone every day and stay there
- Apply your outcomes in important meetings with no nervousness
- Understand, embrace and utilize all mistakes, errors or issues
- Block out bothersome distractions
- Be aware of, and resolve, purposeful or unintentional intimidation
- Exercise leadership in all areas of your life and learn new skills quickly
- Forget negative experiences (mistakes, etc.) quickly
- Understand and manage your energy
- Manage complexity with an easy-to-use strategy
- Learn and apply top communication strategies
- Design outcomes that happen spontaneously
- Ensure balance in all areas of your life

## Leadership Trainer and Strategist for 20 Years

Your leadership trainer is Bob Palmer, B.E.S., B.Ed., CEO of SportExcel. Bob cut his teeth on getting Olympians and executive athletes to the podium. Corporate leadership was a natural fit and Bob now travels throughout North America training corporate leaders, coaches and athletes in his very successful leadership system, *The Palmer Principle*, that has helped many to achieve success in business, sport and life. He also works with many CEOs worldwide via SKYPE, is the author of "A Mind to Win" and writes for several magazines.
